REPECT CAMPAIGN

Abuse and unsporting behaviour towards umpires will not be tollerated.
Please report any incidents, use team sheets and email to Respect
Further details on the NHA website.

GRADES

England Hockey have introduced a Level-1 Umpire Grading System.

These are shown in the "Grade" column - an explanation is given on the NHA website
C grade umpires are Associate members of NHUA (£5 per year subs).

ACTIVENESS:

To remain "active" you must umpire at least three games of Hockey during the current season.
And keep updated with any rule changes and interpretations.

Level-1 Course:

England Hockey now administer the L1 Umpiring Course centrally.
Look on the EH website for where and when the next courses will be.
L1 umpires come into the "system" as Club Umpire grade "B"

L1 candidates who have been assessed and passed (Grade A) are deemed to have been active for that season.

Please use your EH L1 reg. no. when signing off the team sheet/match results.
If you have taken the new EH L1 course then please inform NHUA of the fact
- so we can add your details to this listing.
